STUTTGART COMPANIES

Three companies, one region

Revenue, margin and people at three well-known companies from Stuttgart, 2023 to 2025.

Mercedes-Benz · Porsche · Bosch

Data status: October 2026. Source: the companies' own reports.

Key findings

1

Operating margins fell at all three companies between 2023 and 2025.

2

The largest drop is at Porsche: from 18.0% to 1.1%.

3

Revenue moved far less than profit at every company.

What changed, 2023 to 2025

Company	Revenue	Margin	Employees
Mercedes-Benz	−13.7%	−6.9 pp	−1.2%
Porsche	−10.5%	−16.8 pp	−2.0%
Bosch	−0.7%	−3.3 pp	−3.9%

Employee change compares the first and last year with a published number, so the periods can differ between companies.

CHAPTER 1

Mercedes-Benz

Profile

HEADQUARTERS
Stuttgart

ORIGIN
Formed in 1926 as Daimler-Benz (merger of Benz & Cie. and Daimler-Motoren-Gesellschaft); named Mercedes-Benz Group since 1 February 2022

DIVISIONS
Mercedes-Benz Cars, Mercedes-Benz Vans and Mercedes-Benz Mobility (financial services)

LISTING
Frankfurt Stock Exchange, part of the DAX

Revenue 2025	Margin 2025	Employees 2025
132.2 bn €	6.2%	164,000

Year by year

Year	Revenue (bn €)	Profit (bn €)	Margin	Employees
2023	153.2	20.00	13.1%	166,000
2024	145.6	13.70	9.4%	n/a
2025	132.2	8.20	6.2%	164,000

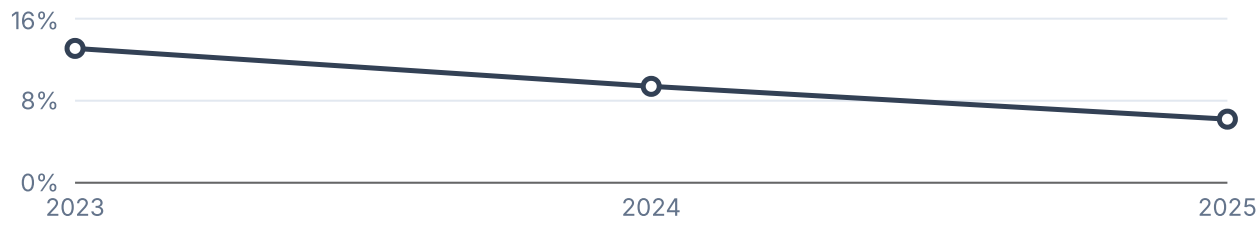

Profit measure: adjusted EBIT

Divisions, adjusted EBIT (bn €)

Company	2024	2025
Cars	8.68	4.77
Vans	2.83	1.76
Financial Services	1.13	1.27
Other and consolidation	1.08	0.44
Group total	13.71	8.24

Preliminary figures from the company's investor page. Group total minus the three divisions is shown as other (group functions and consolidation). Sums can differ slightly because of rounding.

Operating margin by year

Between 2023 and 2025, Mercedes-Benz revenue changed by −13.7% while the operating margin went from 13.1% to 6.2%.

CHAPTER 3

Bosch

Profile

HEADQUARTERS
Stuttgart

ORIGIN
Founded in 1886 in Stuttgart by Robert Bosch as a workshop for precision mechanics and electrical engineering

OWNERSHIP
Not listed on a stock exchange. The charitable Robert Bosch Stiftung holds about 94% of the share capital

BUSINESS SECTORS
Mobility, Industrial Technology, Consumer Goods, Energy and Building Technology

2025 IN BRIEF
About 6,300 patents registered, about 12 billion euros spent on research, development and investment, and 2.7 billion euros set aside for restructuring

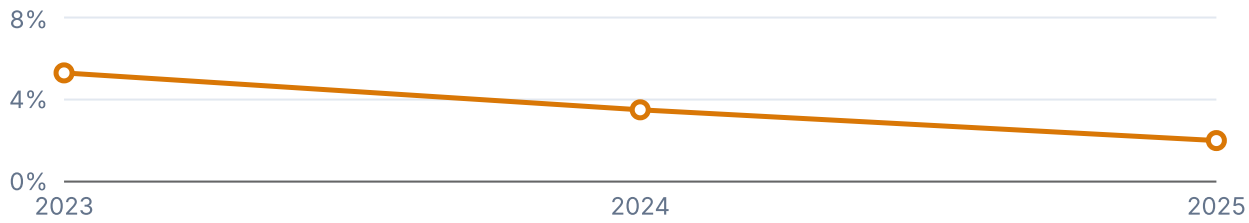

Revenue 2025	Margin 2025	Employees 2025
91.0 bn €	**2.0%**	**412,774**

Year by year

Year	Revenue (bn €)	Profit (bn €)	Margin	Employees
2023	91.6	≈ 4.85	5.3%	429,416
2024	90.3	≈ 3.16	3.5%	417,859
2025	91.0	≈ 1.82	2.0%	412,774

Profit measure: EBIT margin from operations

Operating margin by year

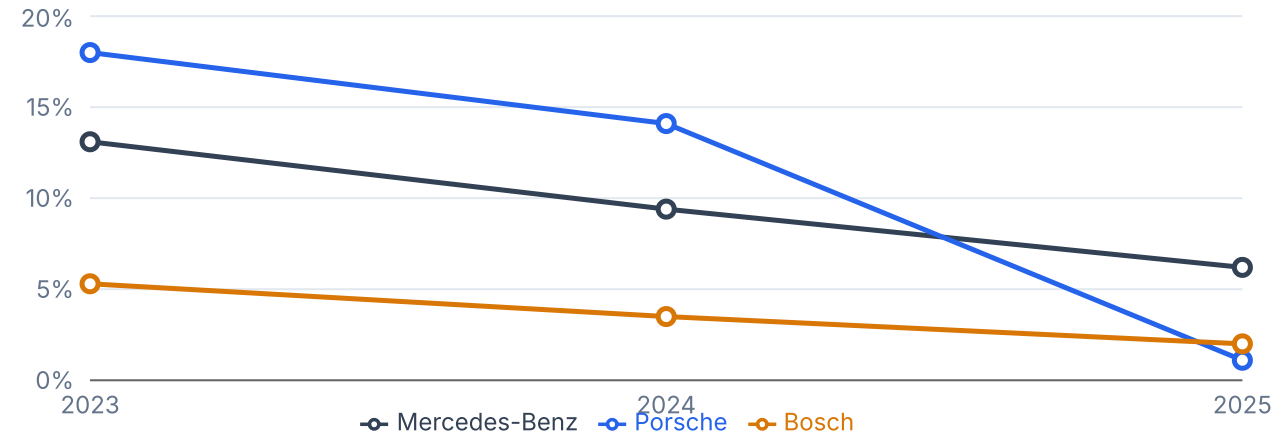

Between 2023 and 2025, Bosch revenue changed by −0.7% while the operating margin went from 5.3% to 2.0%.

Sources: Bosch Group corporate profile 2026 · Bosch key data for the 2025 business year

Comparison

The same measure for all three companies, so the lines can be read against each other.

Operating margin by year

Method and limits

Profit is defined differently at each company (adjusted EBIT, operating result, EBIT margin from operations), so the report compares the operating margin, profit divided by revenue. The comparison shows direction, not who is better, and it shows what changed, not why.
